It's Vacation Time, and

Here's your invitation to vacation at the Green Lake Homestead & Hofbrau. Here you will find a warm and friendly atmosphere . . . old-fashioned hospitality . . . and modern conveniences. It is always our purpose to consider our guests comfort. We've intentionally separated the Homestead and the Hofbrau, just enuf, so that the fun at the Hofbrau won't reach those guests that like to retire early. So, you can be sure, if it's rest you want . . . or lots of activity . . . the Homestead and the Hofbrau are for you!

The Hofbrau is no longer part of our premises. We are planning to have our own Bar and Cocktail Lounge conveniently located on our premises.

Naturally the Finest

Beers, wines and liquors, both domestic and imported, as well as your favorite mixed drinks are served at the Hofbrau. . . . We've a Soda Fountain for the soft drink fans and a Snack Bar where sandwiches are served.

You'll Like the Hofbrau!

Located in a beautiful woodland, overlooking Green Lake, our HOFBRAU is a pleasant five minute stroll from the HOMESTEAD. Long a favored rendezvous of our guests who enjoy the informality of the surroundings and the companionship of kindred spirits. The rustic simplicity of the dance hall is in perfect harmony with the area and there's dancing every night.
